About DDNetwork One

DDNetwork One provides website development services including HTML websites, front-end websites, and AI-powered websites tailored to business needs.

Frequently Asked Questions (FAQ)

1. Project Timeline

Estimated completion time after all content is received:

- **HTML Website:** 3–5 working days
- **Front-End Website:** 5–10 working days
- **AI-Powered Website:** 10–14 working days

2. Domain & Hosting

We provide guidance for domain and hosting setup.

- **DDNetwork One Subdomain**
Example: yourname.ddn.one
RM 55 / month
- **Custom Domain**
Example: yourdomain.com
Pricing depends on the chosen provider.

3. Content Updates

Static websites require developer assistance for content updates.

Optional maintenance plans are available for ongoing updates and support.

4. Revisions Policy

- **1–2 revision rounds** included per package
- Additional revisions may incur extra charges

5. AI Chatbot Information

AI chatbots are configured using your business details and FAQs.

They are **rule-based or API-based**, not fully custom-trained AI models.

6. Business Results Disclaimer

DDNetwork One does **not guarantee**:

- Website traffic
- Google ranking
- Leads or sales

Websites are built to be search-engine friendly, but results depend on external factors.

7. Post-Launch Support

- Limited free support depending on package
- All websites include up to **30 days** free support
- Ongoing support available via maintenance plans
